Subject: For Your Review: Draft CIP Questions and Meeting Agenda

Hello CI Working Group,

Attached please find a draft version of the community meeting agenda. Lisa, please let me know who will be speaking on behalf of BLM and I will update the agenda accordingly.

I have also attached a draft of the CIP questionnaire. As we discussed, these questions are used to guide the interview process. Interviewees are free to choose which questions they answer during the interview- the interview itself is verbal and a copy of the questions is not typically given to the interviewee to fill out but rather used as a reference for the interviewer. Most of these questions are standard across all EPA CIP interviews, but they are tailored as needed for Anaconda.

As a reminder, draft powerpoint slides are due by noon next Tuesday, August 2nd. Please provide any comments/edits to the attached agenda and CIP questions by that time as well.

So you're all aware, the postcard notifications for the community meeting were sent out today and residents will receive them well in advance of the meeting.

Thanks,

Sarah
